

FIX Cargo Securing

FIX STRAP®

FIX ROAD®

FIX MARINE®

FIX TRUCK-SAFE®

FIX SOLUTIONS®

Our FIX original products are the basis for the world's fastest system for securing cargo – whether on land or at sea, manually or automatically.

We offer patented and industry-changing cargo securing systems that save time in both loading and unloading, provide optimal lashing results, and make the job of a professional driver both safer and physically easier. The cargo arrives sooner, and in good condition.

THE EASY WAY OF SECURING CARGO WITH STRAPS

With FIX Strap, securing straps are hung up under the ceiling of the cargo space, where they are kept clean and ready for loading.

The driver does not need to climb up onto the cargo, throw straps over it and risk getting injured.

The system saves time in both loading and unloading and improves work safety.

Rated best in regard to
work safety **
(** HSE Health and Safety Executive, UK)

8 loads per week gives a
payback period of 5
weeks

Meets the loading
requirements of the EU

Why FIX Strap®?

- **SAVE TIME**

Always ready for fastening

- **SECURE FOR THE DRIVER**

No climbing in cargo space

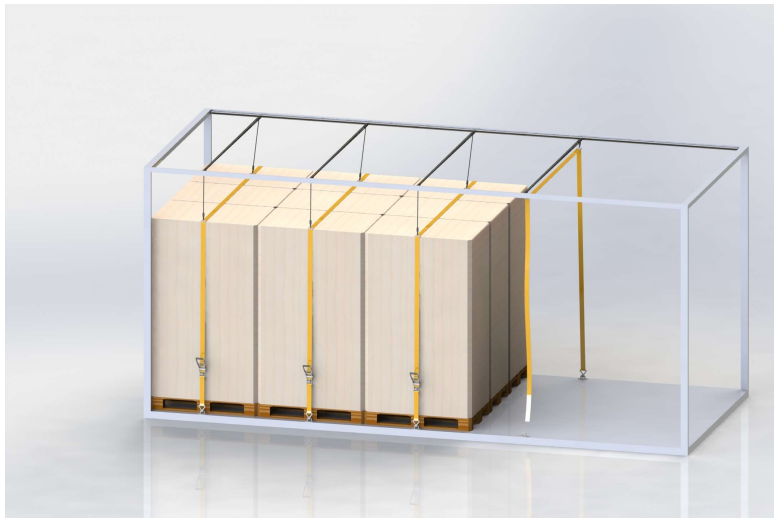

- **EASY TO LOAD**

Straps are pulled
aside during loading

- **CLEAN CARGO**

Straps hang under the roof

FIX Strap Applications

FIX ROAD

THE EXTRAORDINARY SOLUTION FOR SECURING CARGO

FIX Road consists of our patented suspension system and a durable, cargo-securing cover with sewed-in securing straps in both sides.

FIX Road protects loads and holds them together under all conditions.

The system makes both loading and unloading physically easier and safer.

Patented

Tested and approved
by DEKRA

High sustainability, and
long lifespan

Why FIX Road®?

- **FAST AND SAFE**

The fabric presses cargo evenly

- **PROTECTS THE CARGO**

Fabric covers the cargo

- **SUITS CARGO IN
DIFFERENT SHAPES**

Follows the shape of cargo

- **DURABLE**

Holds for years, UV resistant

FIX Mini and Road Tarpaulin

– in different shapes and sizes

- FIX MINI length 40-80 cm
- FIX ROAD Variable lengths from 1,00 m ->

FIX Mini Applications

FIX Road Tarpaulin Application

THE SOLUTION FOR SEA FREIGHT

FIX Marine consists of a reinforced, made-to-measure, specialized covering sheet with lashing straps sewn on.

The system secures and protects even very tall loads on board, even on heavy seas, and it can be equipped with a weather covering that further protects the sides of the load.

Therefore, it is used on a frequent basis, especially for paper transports with tall, upright rolls.

Meets the loading requirements of the EU and IMO

Secures all cargo on land and at sea

High sustainability, and long lifespan

Why FIX Marine®?

- **LASTING**

Holds for years, UV resistant

- **HOLDS EVEN IN HEAVY SEAFARING**

Tested tolerance

- **PROTECTS THE CARGO**

Fabric covers the cargo

- **SAFER WORKING ENVIRONMENT ON BOARD**

Secure system

FIX Marine Applications

FIX TRUCK SAFE®

AUTOMATION MAXIMIZES TIME-SAVING

Truck-Safe® is an automated and patented cargo-securing system that allows cargo to be quickly and securely lashed at the push of a button.

Tightening the lashings to the desired tension takes between a few seconds and a minute.

Truck-Safe® also monitors the tension level and automatically re-tightens the securing straps when needed, e.g. if the cargo collapses.

Especially in shuttle transport, the automatic cargo-securing system allows for increased cost-effectiveness and improves work safety.

Lashing of cargo in 1
minute

Meets the loading
requirements of the EU

Rated best in regard to
work safety **
(** HSE Health and Safety Executive, UK)

Why Truck-Safe®?

- **FAST AND EASY**

Automatic and always ready

- **AUTOMATION DOES THE JOB FOR YOU**

No need for climbing in cargo space

- **PERFECT FOR SHUTTLE TRANSPORTS**

Quick routine

- **MAXIMUM TIME-SAVE**

Fast to use

OUR SOLUTION FAMILY SUPPORTS YOU

With FIX Solutions, we offer our customers calculations of cargo securing for cargo and routes (**FIX Calculations**),

a forecast on the payback period of each FIX purchase (**FIX PayBack**),

and instruments for checking cargo lashings (**FIX Measure** and **FIX Check**).

Why FIX Solutions®?

- **MONEY-SAVING**

Get the best out of FIX products

- **CUSTOM MADE SOLUTIONS**

Always the right solution for you

- **MAXIMUM BENEFIT**

Effective, fast and easy
